Parking can be found on the surrounding streets, all are between 1 to 3 minutes walk. Some have payment metres and the option to pay using the MIPERMIT app, the location number on St James Square is 705652. St James, also has a public car park where you can park for a longer period of time.

We recommend parking at Waitrose, Honeybourne Way, Cheltenham GL50 3QW. This is only a 5 minute walk and has free parking for 3 hours. It is best to park on the far left hand side, there is a foot path to the road and you will see a tyre workshop on the left. Keep walking towards the Railway Inn pub and follow the road round until you have the pub behind you. Opposite you will be the top of Knapp Road, continue walking past an old Victorian building on the right which is the back of St Gregory's School. Keep going and we are on the right, next door to the RSPCA.

Our building is not a manned clinic with a reception, you will be asked to only attend at the time of your appointment as there is no waiting area. Your therapist/trainer will tell you in advance which room to find them in.
